The *Freedom* Difference

Caravans Without Compromise

Since 1991 the word Freedom has been synonymous with lightweight caravans. Our range of caravans have MTPLMs from 750kg to 1,000kg, so you don't need a large car or SUV to experience the wonders of caravanning

Our range of caravans come with features you would expect from larger and much heavier models. Through the use of clever packaging and innovative manufacturing methods, like the "one-piece shell" of our Classic range, we can bring you all of the essentials with none of the excess

Cyclist Mark Beaumont celebrating after setting a speed record for a caravan towed by a bicycle (11.093km/h)

Not "Just a Fling"

The "one-piece shell" of our Classic range is renowned for its body integrity and ability to remain damp-free for decades

This dedication to quality means a Freedom is for life, not just for Christmas

Multi-Award Winning Brand

Beloved by industry experts as well as our customers, Freedom have picked up 15 awards from the Caravan & Motorhome Club and Practical Caravan over the last decade

Jetstream

Embark on unforgettable adventures with our Jetstream models, the perfect blend of comfort style and value

Choose between the Twin Sport, featuring flexible twin single beds that easily convert into a queen size double, or the First Class, offering a traditional bed setup with generous storage space for all your essentials

Whether it's a weekend escape or a cross-country journey, our Jetstreams are your ticket to limitless exploration

Twin Sport Bed Layout - 2 single beds or a queen size double bed

1st Class Bed Layout - Conventional size double bed

With a 2-burner hob, oven and grill the Jetstreams are equipped for enthusiastic chefs, and when it's time to clean up, there's an integrated sink and mixer tap

Keeping your food & drinks cold is a 50-litre Dometic 12V compressor fridge

On-demand hot water and blown air heating is provided by the Truma Combi 4e

Thermostatically controlled by the digital panel, it operates either using gas when off the grid or on 230V mains electric when you're at a caravan site

The full bathroom includes a shower & shower tray, cassette toilet, tip-up sink with mixer tap and mirror

The included rail allows you to add a curtain of your choosing and the opaque opening window provides light and ventilation when needed

To ensure a smooth, stable towing experience on every journey the Jetstream models, like all Freedom's, come fitted with a Al-Ko AKS3004 hitch

Featuring an integrated stabiliser system using friction pads for effortless hitching up and towing

All windows are privacy tinted to keep prying eyes at bay, whilst the front, rear and bathroom windows open. Cassette fly-screen/blinds are fitted to the Heki-style skylight, front & rear windows.

Stand out with the Flare package (optional on all new Freedoms in the Classic Range) which includes a light silver gel coat finish, alloy wheels and additional electric sockets

The front bottle box houses the spare wheel and a 6 or 7kg gas bottle

Microlite

The Microlite with its defining pop-top roof is an icon of the caravan world. The silhouette has remained relatively unchanged since the first Microlite hit the road in 1974, but under the skin it's evolved year-on-year

Microlites are available in either Sport or Discovery layouts giving you the choice of a surprisingly spacious 3 berth or a feature-filled 2 berth with a washroom including a built in cassette toilet

The Microlite lets you embrace the freedom of travel without compromise

Discovery Layout - Front Double Bed with a Rear Kitchen & Washroom

Sport Layout - Front double bed and a Rear Single Bed

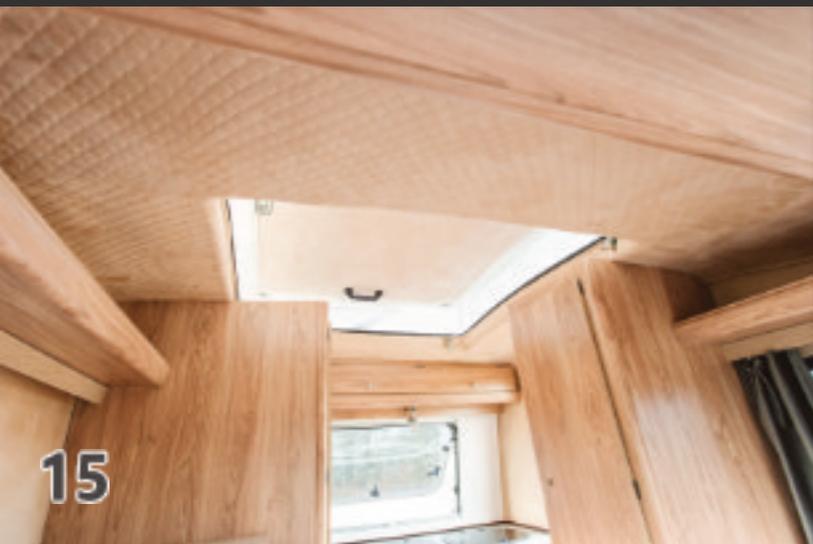

Built on a galvanised chassis with adjustable corner feet for perfect stability, it's rated to an MTPLM of 750kg as standard

Need more payload? Upgrade to 850kg (vehicle permitting) and take more of what you love on the road!

Only available on the Discovery, the washroom is designed for convenience and comfort.

It features a cassette toilet, a tip-up sink with a tap, and an opaque window for perfect ventilation when open and total privacy when closed

Experience the best of both worlds with the Microlite's pop-top roof

A compact height of just 2.21 metres when closed for effortless travel, and 1.88 metres headroom when opened for ultimate comfort

Both Microlites are equipped with a well-appointed kitchen, complete with a 2-burner hob, fridge and a sleek sink with tap

Storage is never an issue, thanks to a full-length wardrobe, spacious kitchen cupboards, overhead lockers, and handy shelving

Every Freedom in our Classic range comes equipped with a Dometic 12V compressor fridge

Providing high-performance cooling regardless of ambient temperatures, it runs on battery power and is tailor-made for operation with solar panels (Solar Panel is an Optional Extra)

The Microlite Sport is adventure ready and designed with versatility in mind

It comfortably sleeps up to 3 people or offers the option to keep the double bed permanently set up while still enjoying a dedicated dining area

410

Experience family adventures in style with the Freedom Carpeno 410

Combining stylish design with a 4 berth layout, ideal for families, the 410 is the flagship model of our Carpeno range

The panoramic front window guarantees an unobstructed view of your surroundings, whilst inside the versatile layout provides spacious seating for 6

An MTPLM of 1,000kg means a large car isn't required for you to enjoy the joy of caravanning

Front Double Dinette - Seating for 4 during the day and a double bed at night

Rear Bunks - Top bunk lifts on gas struts for improved head room

The interior of the Carpento 410 is dominated by the panoramic front windows during the day, and the stylish strip lighting in the evening

The front bed converts into seating for 4 around the fold down table

Cook with ease on the 410's 2-burner gas hob and sink combo

Keep your essentials close at hand with handy wall shelves for herbs and utensils, plus generous cupboard, drawer, and overhead locker storage to keep everything organised

Seamlessly switch from sleeping to dining with the Carpento 410's clever design

The top bunk lifts effortlessly on struts, creating extra headroom, while the sturdy table with a fold-away leg ensures ultimate stability

The full bathroom includes an electrically operated Thetford cassette toilet and sink with mixer tap

Hot water is provided by a gas Propex water heater and there is a head level cupboard to store your essentials

Turn heads with the sleek, light grey exterior enhanced by stylish all-round LED lighting

Need more space? Easily attach an air awning (sold separately) to the awning rail and expand your living area in seconds

Enjoy effortless towing with the included Al-Ko AKS3004 hitch

It features an integrated stabiliser system with friction pads for effortless hitching and superior control on the road, allowing you to travel with confidence and ease
